We are surely going to miss Janet and her wonderful smile. Her legacy will go on with all the people whose lives she touched through Camp Li-Lo-Li and every other place she went. We are sorry to hear of her home-going but know that she will be busy visiting. Even though she had many hard moments she always tried to project the positive side of things. It was indeed a pleasure to know her and find out that yes, we really are related. We will be praying for this time especially. She had a way of making us laugh. A truly amazing woman.

Dear Richard, Pete, Andrew, Bill and families,
We weep with you at your loss and rejoice with Jan at her gain (with her Savior). Jan was a blessing to me each time I saw her or talked to her on the phone. I find myself wanting to be more like her (joyful and loving), exhibiting the fruit of the Spirit in every circumstance. 1 Thess. 1:6 "And you became followers of us (Paul, Sylvanus and Timothy) and of the Lord Jesus Christ...". Thank you, Jan, for being a good example to us. God comfort you. Deb Bingham

I always enjoyed talking with your Mom (Pete, Andrew & Matt) whenever I was in town. What a wonderful, godly example she has always been! I will miss her sweet smile until I see her in eternity! Praying for your family during this difficult time. In His love, Loretta Tolly (Palmer)

My heart and prayers go out to Richard and the boys. Aunt Janet was truly the strongest woman I have ever known. I will miss her dearly.

Richard, Peter, Andrew, & Matthew, and families,
Our hearts are sad for you, as we all will miss Janet's smile and constant enthusiasm for life, but we are so happy to know that her life is even more full now, with her Saviour. We pray for you all that the Lord will supply you with His loving presence and encouragement to keep on for Him. We loved her through many years, and we love you and keep you in our thoughts and prayer.

For those of you who have asked what charity to donate to: We are currently in the process of trying to set up a foundation through the Speech Pathology Services in Charlie's memory. This was instrumental in Charlie's quality of life for the past three years.
