Don- I don't know if you remember me (School 80, Boy Scout troop at Benjamin Franklin). I was sorry to read of the loss of your wife. Ray died last summer of a brain tumor, so I can empathize with you. We don't "get over" the loss of those we love, but, with the help of family and friends, we just get through it. I'm thinking of you and your family.

Love and peace be with you and your wonderful family, Corky. You were one great woman and a great role model. You lit up any room you stepped into.
